MEET THE TEACHER!

13 February 2020

Dear Parents and Carers

You are invited to 'Meet the Teacher' with your child on Tuesday 25th and Wednesday 26th February. These meetings will take about 15 minutes and will give you and your child an opportunity to meet with your child's classroom teacher, to learn about class routines and to set some goals for learning and development in 2020. Please book your preferred time on the COMPASS Portal.

If you have a student with a Personalised Plan (PP) additional times have been made available to you on COMPASS so that you can discuss your child's Personalised Plan with their new teacher. It is not expected that you would need to attend both of these opportunities. Please book your preferred time on the COMPASS Portal.

In preparation for the meeting, please discuss and complete the attached **3 Stars and a Wish** document with your child before you attend the meeting. During the meeting, you will construct a 2020 goal with your child and their teacher.

We look forward to working with you and child,

Yours in partnership
